NOTE: Please delete this template when done. Do not submit artwork with this template showing.

INSIDE RIGHT FLAP

4"

FOLD

SAFE AREA

Keep any crucial content, such as text, within the green lines so it doesn't get too close to a trim or fold line.

OUTSIDE FRONT COVER

9x12"

BLEED

For graphics that bleed beyond the final trim, be sure to extend art .125" past the trim line.

FLAPS

Please do not print on the flaps. This is where glue goes. Not only will art not display, glue doesn't adhere well to ink.

FOLD

INSIDE LEFT FLAP
